## Be protected & see every detail in full HD

- A cutting edge & easy to use surveillance system with 1080p high definition video to see & protect your premises
- Set & forget by recording from 4 channels for up to two years+ onto a massive 1TB hard drive
- Seeing is believing with 4 x 1080p HD cameras offering 50ft/15m infrared night vision & durable construction for indoors or outdoors. Add 4 more Swann PRO-1080MSB, PRO-T853 (1080p) or PRO-T835 (720p) cameras for full 8 channel monitoring^
- The cameras feature state-of-the-art PIR motion sensors designed for security applications with the ability to reliably detect people, cars, large pets & other large heat-generating objects
- With more accurate motion detection you have more reliable notifications & recording, eliminating false triggers due to the wind, leaves falling, bugs, rain & more, saving you hard drive space & playback time
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB
- View live or playback video in high definition on your HDTV, LCD screen or monitor via HDMI connection or VGA port
- Surveillance in the palm of your hand with live viewing on Smartphone & tablets including iPhones, iPads & Android devices using the free HomeSafe View app
- Cut the cost of crime & know what's happening with this expandable HD security system to suit homes, offices, small businesses & retail stores
